Dear Sir/Madam,

Greetings from Swami Vivekananda Global Olympiad (SVGO)!!!

I hope this Letter finds you well. I am writing to inform you about an upcoming event that may be of interest to your students. The Swami Vivekananda Global Olympiad (SVGO), in association with Swami Vivekananda Group of Institutes (SVGIs) is an international competition that aims to foster the holistic development of young minds.

The Swami Vivekananda Global Olympiad is organized by Swami Vivekananda Global Foundation (SVGF) with the objective of promoting the values and teachings of Swami Vivekananda, a renowned Indian philosopher and spiritual leader. This Olympiad provides a platform for students to showcase their knowledge, skills and talents in various disciplines.

The Olympiad covers a wide range of subjects including Mathematics, Science, English and GK. It is designed to challenge students and encourage them to think critically, solve problems and demonstrate their academic prowess. Additionally, the Olympiad also includes activities that promote cultural understanding, leadership, and teamwork.

Participating in the Swami Vivekananda Global Olympiad (SVGO) not only allows students to test their academic abilities but also gives them an opportunity to interact with their peers from different schools and backgrounds. It promotes healthy competition and provides a unique learning experience that goes beyond the classroom.

We believe that your school has a strong academic program and a dedicated faculty that can help students excel in this Olympiad. Moreover, we extend our support by offering complimentary online classes for duration of three months to assist SVGO students in their preparation. We encourage you to motivate and guide your students to participate and make the most of this exceptional opportunity. By participating in the Swami Vivekananda Global Olympiad, your students will have a chance to showcase their talents on a global platform and gain recognition for their achievements.
